### SOMETHING MUST BE DONE

"Unless he authorities at Wash-ington take action at once to present the wholesale killing of same and cau-tie by instant from the Pueblo and Apache reservations in this territory. there will undoubtedly be a clash be-tween ranchmen and seitlers and the Indian, which will result in blood-

This statement was made the other evening by Page E. Otero, territorial same and fish warden, after a conference with Captain J. F. Pallerton of

the mounted police,
"I have repeatedly advised the
Washington government regarding the washington government regarding the situation, but have received no reply. Settlers in a number of places are organizing with the cattlemen, and make no secret of the fact that they intend to act if the government does not give them relief. I have received a number of reports from different sections. where the Indians have left their reservations and taken up their abode many miles distant. Others band together, traveling over the country, auxing all kinds of game without regard to the laws, and then steal back to resume their former life. The principal trouble has been in Socorro.

These bides and what fresh deer meat the Indians had, were confiscated. It has been reported to me that a number of these Indians had a form of permit, which they believed entitled them to bunt as they pleased. Permits giving them permission to leave the reservation, I understand, have been issued by James K. Allen, of the United States Indian school at Aleu.

Written for The Citizen.

been indicted at Socorro and we hope He was a kid when he last saw her! to make an example of them. now undertaking the difficult task of arresting all Indians breaking the power to stop the wholesale killing of game and a number of arrests are to be made soon."

### RECLAMATION ACTUAL AND PROPOSED

The secretary of the interior has recently approved two new reclamapartly in Texas and partly in New Mexico, is called the Rio Grande prosect; the other, which will be wholly in New Mexico, will be called the Chrisbad project. The two addi-tional projects will bring the autober of reclamation schemes up to 24. Of these II are well under way. The provide for the rectamation of 1,300,

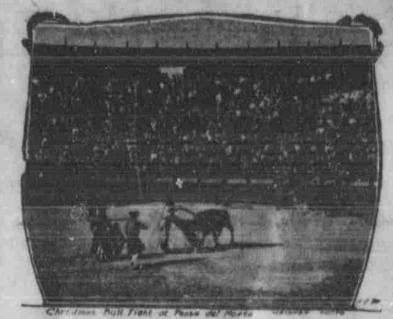

600 acres of arid lands at a cost of \$27,028,571. These are big figures and they represent hig projects. On June 20, 1905, the total cost of construction and engineering work performed by the esciamation service, together with the administration examounted to \$5,462,169. that date the reclamation fund had reached a tor-) of \$28,028,571. It was estimated at that time that the re-ceipts for the fiscal years 1906-1808 would amount to 29,000,000, so that the sum of money available for reclams tion purposes up to the end of toos will be \$57,028,571.

Since the work of reciamation began, 75 miles of main counts have been constructed and 54 miles of distribnting canals, as well as 185 miles of ditches and 147 bridges. Over \$.350,-000 cubic rards of earth have been excavated and 3 1-2 miles of tunnel driven. The telephone times installed have measureed 250 miles and the roads built have covered 126 miles. It has been accoming to creek 50 offices and other buildings. One coment mill has been constructed, the product of which already amounts to 15,000 Resides the coment manufacbarrels. Busides the rement maintage-lared by the recommander service, use clots and worth a million in her own. "I sid has been found for 78,000 additional right, was electrons in a suit for twelfied. has been found for 78,000 additional flat one electrons in a suil for the standard and the sion on the contract the company has chasted in open market. Over 3,800,000 for the more for the sound and in the property in the form the work of construction and 1,750,000 for the work of construction and 1,750,000 for the more form the standard for the standard for the standard form the standard the pundling done to 4.500 ender yards.
the ciprap complemed to 12,000 ender
yards, and the paving to 190,000
square 6-st. The railroad iron used
amounts to 120,000 pounds, the cast from to 600,000 paints. The sheet pil-ing driven has amounted to 150,000 linest feed. The bearing piles to 10,000

These flavors will give some idea of the enterprise the giganus aire of the enterprise that it is be use to Marine, ill., yesterday at the studenters of the rectamation of 1.303.600 acres of stid.

Morgan who has died at the old home in Marine, in the past six months, her

# LIVELY CHRISTMAS AT

Juarez. Mexico, Dec. 18.—Extensive ed by city officials, and the games are preparations are being made for the guarded by policemen. to resume their former life. The principal trouble has been in Socorro. Grant and Sierra counties, where game has been killed in large quantities by the Indians. In some instances where game was scarce, I am informed that the Indians killed cattle. Now some of these Indians came from Bernaililo county, I understand and from other points equally distant.

"From members of the mounted positive I have received information that fresh hides of deer bave been found in the possession of Indians recently. There will be delted as usual with all the Indians had, were confiscated. It

### LOCAL PARAGRAPHS

Mrs. Lois Armijo and two sons will spend the holidays with Santa Pe relatives. They left for the territorial capital this morntag.

Jacob Korber, the popular whole-saler of fine carriages, buggles, etc., has just secured a carload of the "best"-just the things for holiday

Jacob Korber, the popular wholesaler of fine carriages, buggles, etc.,
has just secured a carload of the
"best"—just the thiogs for holiday
presents.

Hen Manger, who years ago was
stationed here as the manager of the
local Freet Harvey eating house, was
here yesterday with John Stein, the
southwestern superintendens, but both
returned north last night. Mr. Stein
and family will spend the boildays iin
New York, and during his absence Mr.
Manger will act as division superintendent.

The death of Rabbi M. Maharam,
occurred at the home of this son,
Emanuel Maharam, in this city, yesterday, used as years. Death was due
to consumption. Deceased was a
noted orthodox Jewish prescher and
lecturer and was returning east from
California with his wife, where he had
been to sook health. For many years
Rabbi Maharam presided at the Monroe temple in Philadelphia. The remains will be taken to Denver this
evening where the burial will take
place.

While on his way to this city to enter the St. Joseph's hospital, Thomas M. Thompson, 65 years old, died on a Santa Pe train. Though penuliess when he died, deceased was formerly well to do, until he met business reverses in Long Beach, Cal., then being forced to start transmiss. well to do, until he met business reverses in Long Beach, Cal, then being forced to start tramping toward his home in Ypsilanti, Mich. Exposure froze one of his feet and weakened the already worn out constitution. O. W. Strong's Sons communicated with the relatives in Michigan, and will probably ship the remains there as soon as they are heard from.

Tuesday evening commencing at 8 o'clock, the high school preliminary contest will be held in the High school assembly room. From the four contestants a representative will be selected to represent Albuquerque high school at the territorial oratorical contest which takes place the last week in this month in this city during

Datit mountains.

E. C. Allen, who has been in the city visiting his family, owing to the serious illness of his little daughter.

Adelaine, returned last night to Gal-

Perfecto Armijo, sheriff of Bernahou enty, came in from Santa Fe last, ght, accompanied by his daughter, Mrs. J. R. Hayns, of Pagosa Springs, Colo. The lady will spend the holldays here with her parents and rel-

his wife, will leave in a few days for Little Water, Ariz, where they will take charge of a day school. Mr. and Mrs. Robertson have been filling the positions of instructor and assistant teacher recopcitively in the local la-dian day school in this city.

C. V. Safford, of Santa Fe, traveling auditor of the territory, was in the city last evening in company with his brother-in-law, O. B. Stanton, of Kanmas City. Mr. Stanton is interested in mining property at Mayer, Ariz., and left for that place last night. Mr. Safford returned to the capital today.

James and Robert McCutcheon, representing the Gray's Forry Printing Ing works, of Philadelphia, are in the city today, and were callers at The Citizen office. The gentlemen will leave tonight for southern California. and after a stay of a few days there they will go via the Pacific coast route to Chicago, where they will spend the holidays at home with relatives.

Rev. J. M. Sollie, the popular pastor of the Highland Methodist church, who has been in the south the past few weeks soliciting fifteds for a new church of his denomination to be built church of his denomination to be built in this city, returned home this morning from the south. Hev. Sollie reports a very successful trip in the interest of his church, and will soon make his report to his congregation.

Albuquerque will soon have a Pullman car office, as announced exclusively in The Chizen the other day, as P. H. Rhodes, an inspector of the Pullman company, is fitting up offices in the Alvarado, at the norteast corner of the grounds. Hasdaonic furniture is on the way and Mr. Rhodes, who will have charge of the lines to ween Karsans City and California, and south to El Paso, will have one of the nest-
